REMARKS/ARGUMENTS

In the specification, the abstract of the disclosure has been amended.

Figs. 1-7 and 9-10 have been added with proper cross-hatching, as required by the Examiner.

Claims 2-5 have been added to claim 1 in order to further narrow the scope of the claim, and claim 10 has been cancelled. Claims 6-9 have been withdrawn as the result of an earlier restriction requirement.

In view of the foregoing amendments and arguments, applicant submits that the application is now in a condition for allowance and such action is respectfully requested. If any points remain in issue, which the Examiner feels could best be resolved by either a personal or a telephone interview, he is urged to contact Applicant's attorney at the exchange listed below.

Applicant respectfully request that a timely Notice of Allowance be issued in this case.
